ACTIVE INGREDIENTS:

1-Naphthaleneacetamide 0.20%
Thiram (tetramethylthiuramdisulfide) 4.04%

INERT INGREDIENTS: 95.76%
TOTAL 100.00%

EPA Reg. No. 264-499-71004 EPA Est. No. 67572-GA-1

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS****CAUTION**

Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Do not get into eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Avoid inhalation of dust. Consumption of alcoholic beverage increases the toxic effects of Thiram.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. For medical emergencies call 24 hours a day, 1-800-334-7577. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label before using this product.

Select cuttings (slips) from vigorous, healthy plants. For most house plants, use tips 2 inches to 6 inches long from stems that break easily. For most shrubs, summer cuttings of half-ripened wood root best. Remove any leaves or flowers at the base of the cutting. Dip the base into this product about 1/4 inch deeper than it will be set in the rooting medium. Tap off any excess powder and insert cutting in a hole in the rooting medium with at least one node covered. Make holes wide enough so that none of this product is scraped off during planting. Firm rooting medium around cutting to avoid air pockets. Shade to keep cuttings and rooting medium moderately moist until they are rooted. This is 3 to 5 weeks longer, depending on plant species.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. **Pesticide Storage:** Do not store near fertilizers, seed, insecticides, or fungicides. **Pesticide and Container Disposal:** Do not reuse container, discard in trash.
